Sabrina - Would it be easiest to send me an email with the proper info and I can forward it to the ARSG email list?

Subject: Copies of the electronic EPA report

Hi Peter, I have gotten a request for the EPA analytical results report from Ben Markus of Colorado Public Radio. In the interest of getting it out to all stakeholders, I am wondering if you could share all the email addresses from ARSG meetings and the last two community meetings so that I can upload the reports for everyone to one site from which they could download the documents. If that will work out, let me know. Thanks!

Sincerely,
